

Veterinary Technician Needed- 2 years Tech experience required

Job description

About us

Silvervine Cat Clinic is an independently owned feline-only veterinary clinic in Woodbury, MN. Our goal is to provide excellent sick and well pet care to cats and their people.

JOB OVERVIEW:

The veterinary technician is responsible for providing gentle, compassionate patient care and positive client experiences for the benefit of cats, their owners, and the clinic. They perform basic exams, administer treatments and anesthesia, obtain diagnostic samples, interpret slides, perform dental cleanings and radiography, monitor hospitalized patients, educate pet owners about treatment plans and home care, and perform a variety of related services under the direction of the attending veterinarian.

EDUCATION, EXPERIENCE, AND LICENSURE REQUIREMENTS

- Eligible to work in the United States
- Experience with all aspects of Veterinary Technician work described for at least 2 years
- Fear-free cat handling or similar training preferred

PERSONAL REQUIREMENTS

- Show affection and respect for cats and their people in all interactions
- Reliably attend shifts and complete job duties as assigned
- Manage multiple patient responsibilities concurrently
- Be adaptable in attitude and work habits
